

Emotion Placard Activity

Instructions

1. Download and print the emotion placards.
2. Place all placards in front of the child.
3. Show the picture on the screen.
4. Ask, "How does the person feel?"
5. Let the child choose one placard.
6. Ask the child to hold the placard in front of the camera.
7. Hold the placard still for 3 seconds.
8. The software will detect and record the response.
9. Continue to the next activity.

Note: Do not tell the answer immediately. Encourage the child to answer independently.
